

PACLING 2019

2019 16th International Conference of the Pacific Association for
Computational Linguistics (PACLING 2019)

INDUSTRY POSTER SESSION

1. Introduction

PACLING 2019 will host an Industry Poster Session on **October 11, 2019 (TBD)**, Hanoi, Vietnam. The Industry Session provides an opportunity for companies to present their work in the areas of Computational Linguistics and AI related to the PACLING'19 conference topics, i.e., to a wider community of researchers from academia and industry. This session aims to encourage interaction and networking among companies and researchers, as well as the audience.

The posters will be on permanent display throughout the conference, which will provide a platform for continuous interaction between the authors and the conference attendees during the course of the conference. Company representatives will be required to attend the posters during the designated time for Industry Poster Session on **October 11, 2019 (TBD)**, Hanoi, Vietnam.

In addition, the round table will be held on **October 12, 2019 (TBD)**, Hanoi, Vietnam from 10 – 12:00pm i on the topic “Knowledge transfer on Language Processing from a faculty to industry” and all company representatives are invited to participate.

2. Important dates

To keep within the time limits of PACLING'19 Industry Session as a whole, the number of PACLING'19 posters will be limited. All submissions will be reviewed by the PACLING'19 Industry Session Organizing Committee based on relevance to the conference, innovativeness, and quality of presentation.
